

breeze[®] plus

Playards are hard to use. The 4moms[®] breeze[®] plus playard is easy. Just push down on the center hub to open and pull up to close – the latches are automatic and there's no tricky sequence of steps. No other playard is assembled with just one simple motion.

The breeze plus has an all-in-one care station with bassinet and changer, and offers a convenient sleep solution.
