

## breeze® GO

Playards are hard to use. The 4moms® breeze® GO playard is easy. Just push down on the center hub to open and pull up to close – the latches are automatic and there's no tricky sequence of steps. No other playard is assembled with just one simple motion.

**The breeze GO is designed for today's active families who bring their baby on everyday adventures.**

### FEATURES

#### **Seriously easy**

One push open, one pull close

#### **Quick set up**

Easily move around the house or pack up for travel

#### **Sturdy frame**
